Withdrawl symptoms - You
were gone for so long, I started devel-
oping withdrawl symptoms

Written on my lips - Martyr-
dom is *written on my lips*

sets in motion tad pronto dogpile of things walk on eggshells no smoke with-
out fire, you hit the nail on the head, in the wake of fight fire with fire this is
only the tip of the iceberg struck a chord

1. No leg to stand on; low hanging fruit; thats the short and long
standstill

Yours fingerprints are all over it Blessing in disguise to clear the air hazmat
the feeling is otherworldly none the wiser lumbered with gold you cant sell regress
as a civilisation ear to ear , smiling footing the bill nigh on impossible

NOTE: This is a personal collection of words, I like, these may be deemed
archaic, odd depending on what part of the English speaking world you live
in turn of the century saddled with in the wake of bald faced life of the cuff
breakneck bullheaded middleground haven cabal
